Title: Full Stack Java (20A3072I)

ACTION TAKEN REPORT

Summary of Feedback

- Most students rated their internship experience positively, with many choosing "Excellent" or "Very Good" across all questions.
- The highest ratings were for meeting expectations, supervisor support, and communication/feedback.
- While most responses were positive, there were a few instances where students rated certain aspects as "Satisfactory" or below, particularly in relation to the relevance of tasks to career goals and the adequacy of resources provided.

Action Taken

- Recognizing the positive feedback received the internship coordinator and department head have decided to continue offering the "Full Stack Development" internship program.
- Feedback from students has been analyzed to identify areas for improvement and refinement in the internship structure and content.
- Steps have been taken to address any concerns raised by students, particularly regarding the relevance of tasks to career goals and the provision of resources and tools.
- Actively sought out opportunities to collaborate with team members on new projects and initiatives. contributed ideas and insights during team meetings and brainstorming sessions.

Concluding Remarks

- The internship coordinator and department head are pleased with the overall outcomes of the internship Program, as indicated by the positive feedback from students.
- It is recommended that students consider this internship as a valuable option for their future career development, and efforts will be made to continuously improve and adapt the program to align with emerging trends and developments in the field.
- The internship will be offered to next year's students either in its present form or with necessary modifications to further enhance the learning experience and meet the evolving needs of students and industry demands.
