Title: Internship on SkillDzire (20A3081P)

ACTION TAKEN REPORT

Summary of Feedback

- The majority of students gave a positive evaluation of their internship experience, with a Significant number selecting "Excellent" or "Very Good" for most questions.
- The highest satisfaction levels were observed in areas such as meeting expectations, support from supervisors, and clarity of communication and feedback.
- Although overall feedback was favourable, a few students rated certain aspects as "Satisfactory" or lower—particularly concerning the relevance of assigned tasks to their career goals and the availability of adequate resources.

Action Taken

- In light of the positive feedback received, the Internship Coordinator and the Head of the Department have decided to continue offering the internship program through "SkillDzire."
- Student feedback has been thoroughly analysed to identify opportunities for enhancing the structure and content of the internship.
- Measures have been implemented to address student concerns, particularly regarding the alignment of tasks with career goals and the availability of necessary resources and tools.
- Students were encouraged to actively collaborate on new projects and initiatives, contributing valuable ideas and insights during team meetings and brainstorming sessions.

Concluding Remarks

- The Internship Coordinator and the Head of the Department are satisfied with the overall outcomes of the internship program, as reflected in the positive feedback received from students.
- It is highly recommended that students consider this internship as a valuable opportunity for career development. Continuous efforts will be made to refine and enhance the program in line with emerging industry trends and advancements.
- The internship will be offered to next year's students, either in its current format or with necessary modifications to further improve the learning experience and meet the evolving expectations of both students and the industry.
