SANKRANTHI SAMBARALU 2024

NEW CAD LAB OPENING IN CIVIL ENGG.

CAD Lab Opening by : Dr C Gangi Reddy Founder of AITS Rajampet, on 19 Jan 2024

A new CAD lab was inaugurated at Annamacharya Institute of Technology and Sciences (AITS) Rajampet by Dr. C. Gangi Reddy, Chairman of AITS. The event was attended by all Heads of Departments and Deans, highlighting the collaborative spirit of the institution. The state-of-the-art lab features 60 latest computer systems equipped with advanced software for computer-aided design, providing students with valuable hands-on experience. Dr. Gangi Reddy emphasized the importance of practical skills in engineering education and the lab's role in enhancing students' technical competencies. The inauguration marks a significant step forward in AITS's commitment to fostering innovation and creativity among its students. Attendees expressed enthusiasm about the opportunities the new lab will provide for project work and design studies. The establishment of the CAD lab is expected to greatly benefit students in their academic and professional pursuits.

Republic day Celebrations-2024

AI- Assisted Scientific Writing and Publications

Speaker: Dr. K. S. Sowmiya Rani.

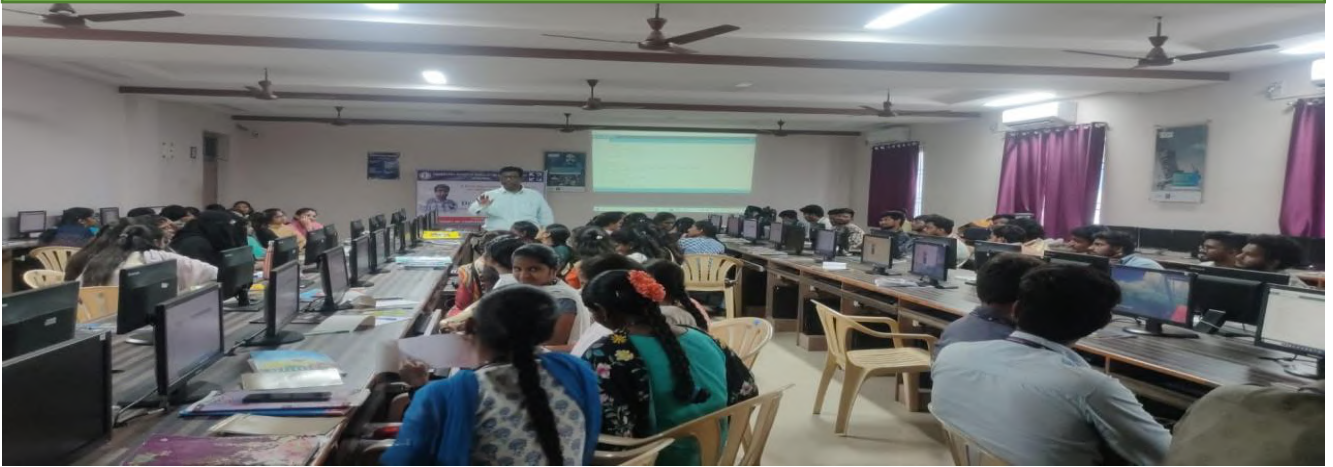

On February 3, 2024, Dr. K. S. Sowmiya Rani delivered a guest lecture on "AI-Assisted Scientific Writing and Publications" at Annamacharya Institute of Technology and Sciences (AITS) Rajampet. The session aimed to enlighten students and faculty about the transformative role of artificial intelligence in the research and publication process. Dr. Sowmiya Rani discussed various AI tools that can enhance the quality and efficiency of scientific writing, from drafting manuscripts to optimizing research methodologies. Participants learned about best practices for leveraging AI in literature reviews, data analysis, and citation management. The lecture sparked engaging discussions on the ethical implications and future trends of AI in academia. Attendees left with a deeper understanding of how AI can streamline their research efforts and improve publication success rates.

A Three Days Hands-On Workshop on IoT, Robotics Programming, and Drone Technology

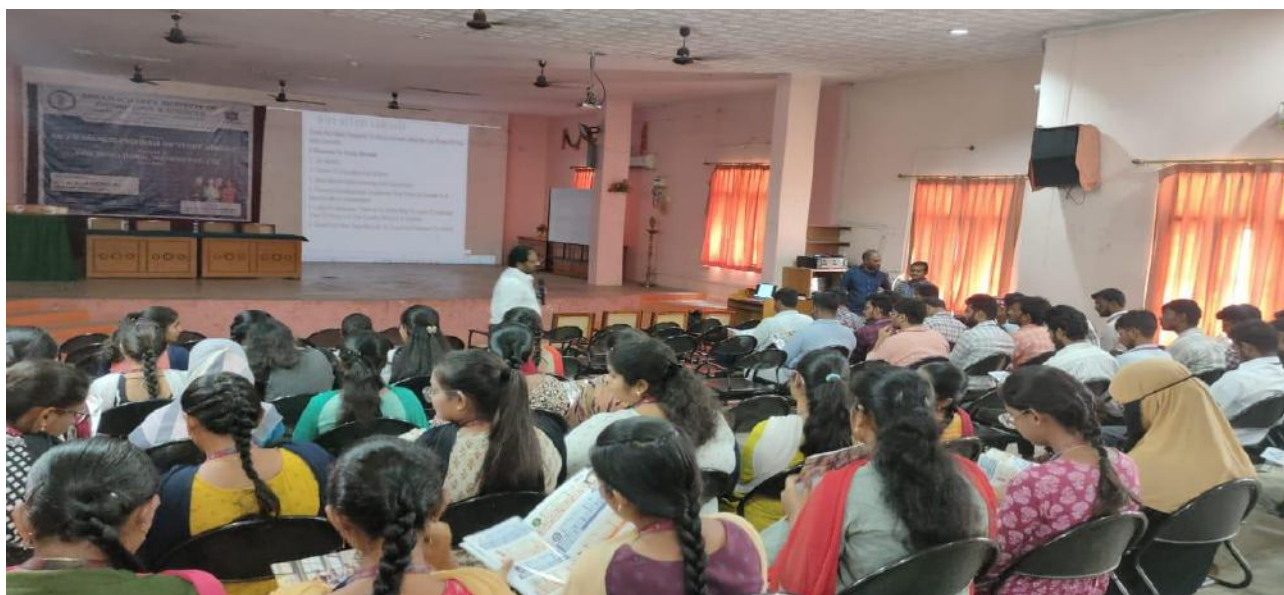

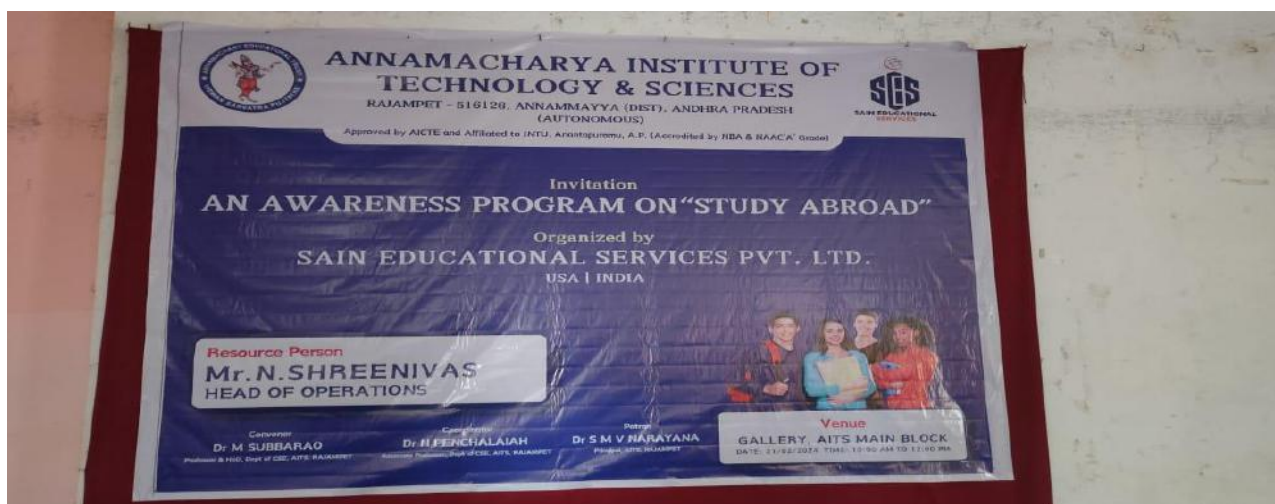

Speaker: Dr. K.B.C. Ganesh, CEO and founder of Print 3D Technologies in Tirupati.

The image shows a man standing beside a promotional poster for a workshop on IoT, Robotics Programming, and Drone Technology. The event, organized by the Department of Computer Science & Engineering at Annamacharya Institute of Technology and Sciences in Rajampet, is scheduled to take place from February 15 to 17, 2024. Dr. K.B.C. Ganesh, CEO and founder of Print 3D Technologies in Tirupati, is the speaker and instructor for the workshop. This workshop appears to be a hands-on event, aimed at providing practical experience in emerging technology fields. The man in the image is formally dressed, and he stands with a confident posture, likely representing his expertise in these domains. The banner clearly displays the institute's logo and details of the workshop, indicating a professional and educational setup. This type of event is beneficial for students and professionals interested in technology innovations and skills development.

An Awareness Program on 'Study Abroad'

The awareness program on studying abroad, organized by Sain Educational Services Pvt. Ltd., USA and India. This event is hosted by Annamacharya Institute of Technology & Sciences in Rajampet, Andhra Pradesh. The objective of the program is likely to inform students about opportunities for studying in foreign countries, covering aspects like application processes, scholarships, and university options. The resource person for the event is Mr. N. Shreenivas, Head of Operations. Key personnel associated with the event include Dr. M. Subbarao as the convener and Dr. N. Penchalaiah as the coordinator. Dr. S. M. V. Narayana serves as the patron for the program. It is scheduled to take place in the Gallery of AITS Main Block on February 21, 2024, from 10:00 AM to 12:00 PM. The poster prominently displays the details to encourage student participation, aiming to guide them toward international educational prospects.

Interactive Session of Students with Delegates of PWTH Aachen University

Speaker: Prof. Dr.-Ing. Bernd Markert

An interactive session was organized at Annamacharya Institute of Technology & Sciences (AITS), Rajampet, on February 23, 2024, featuring distinguished delegates from RWTH Aachen University, Germany. The session focused on opportunities for higher education in Germany, with presentations by Prof. Dr.-Ing. Bernd Markert and Dr. Sandeep P. Patil from Aachen University. The delegates provided insights into various postgraduate programs, research facilities, scholarships, and the application process at RWTH Aachen, a renowned institution known for its engineering and technology programs. Students actively engaged with the presenters, asking questions about academic life, cultural experiences, and career prospects in Germany. This session served as a valuable platform for students interested in pursuing international education, offering them firsthand information from experts in the field. The event underscored AITS Rajampet's commitment to connecting students with global educational opportunities.

CGR Talent Meet-2024

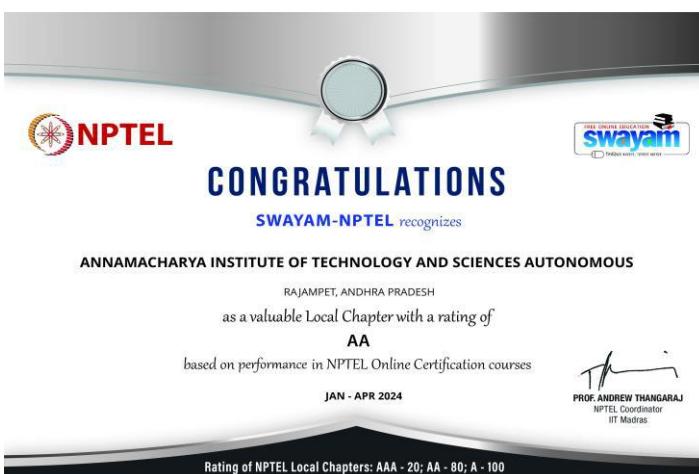

12- Graduation Day 2024

The 12th Graduation Day at Annamacharya Institute of Technology & Sciences (AITS), Rajampet, will take place on June 15, 2024. The Chief Guest for the event will be Prof. G. Ranga Janardhana, who is serving as the Vice Chancellor of Jawaharlal Nehru Technological University Anantapur (JNTUA) as of 2024. Prof. Janardhana is well-known for his academic contributions and leadership within JNTUA, with a background in engineering and management studies. The event marks a significant milestone for graduating students as they celebrate their achievements and prepare for their professional careers. The presence of the JNTUA Vice Chancellor underscores the importance of the ceremony, offering inspiration to the new graduates as they step into their future paths. The ceremony will include speeches, the distribution of certificates, and encouragement for continued learning and innovation.

NPTEL 67th Ranking for Jan-June 2024

Annamacharya Institute of Technology and Sciences (AITS) Rajampet achieved the 67th rank in the SWAYAM-NPTEL Local Chapter rankings for the Jan-June 2024 session. This ranking highlights the institution's active participation in NPTEL's online courses, which facilitate certification and skill development for students and faculty in various technical and professional domains.
